Adult Bee Keepers Gloves

Gloves: Gloves are sized by measuring across your four knuckles, not including the thumb, i.e. the width of the palm at its widest point. This distance in **centimeters** is your glove size. For example, if the distance measures 9 centimeters then you need glove size 9, which is a medium.

Sizes:	2XS	XS	S	M	L	XL	2XL
Centimeters	6	7	8	9	10	11	12
Inches	2-3/8	2-3/4	3-1/8	3-5/8	4	4-1/4	4-3/4
