Anticipated arrival: Late April - Early May

We will be having multiple deliveries over the last two weeks of April and first two weeks of May.

Pickup location: Capital Bee Supply

200 Commercial Dr, Columbus, WI

To place your order call Capital Bee Supply at 608 444 1493.

Payment in full secures your package bee order.

Sources of package bees: We are using two different suppliers of package bees this year. Schultz's Pure Honey and Rozier Apiaries. The Schultz packages will have predominantly Italian queens, which are sourced from Texas, and we expect the Schultz packages to arrive late April. Rozier Apiaries raises queens and bees in Georgia. The Rozier queens will be predominantly Italian and we expect the Rozier packages to arrive the beginning of May.

Source of nucs: Wild Comb Apiary raises their own bees and queens in Texas. The nuc queens will be predominantly Italian. We anticipate the nucs to arrive beginning of May.

Pickup dates are not guaranteed, so be prepared for an early and or late date.
